

**TOOLKIT · SERVICE RECORD**

Fumigation & Disinfection Service Record

Document each fumigation, fogging or disinfection treatment: product used, registration number, dosage, target and re-entry time. Required evidence for food-safety audits and for chemical stewardship under Act 36 of 1947.

Facility / Site: _____ Service date: _____

Operator (PCO): _____ PCO reg no.: _____

Area treated: _____ Re-entry time: _____

Product used	Reg. no.	Dosage / rate	Target pest	Method

Attach product labels and SDS. Confirm re-entry interval observed before area returned to use.
